

Large Ceiling Mount For TV/Display

Data sheet

Summary

- ✓ Supports one display from 37-inch to 80-inch, suited for presentation rooms and public signage.
- ✓ Compatible with VESA patterns up to 600 x 400 mm, covering common mounting interfaces for most large displays.
- ✓ Adjustable ceiling tube from 70 to 150 cm so you can set the optimal viewing height.
- ✓ Tilt from -25 to 5 degrees and swivel ± 30 degrees for easy screen alignment.
- ✓ Check ceiling structure and confirm screen weight and VESA pattern before purchase to ensure safe installation.

Product description

Why choose this ceiling mount?

Prokord Large Ceiling Mount For TV/Display helps you free floor and wall space while keeping a large screen securely positioned for audiences in meeting rooms, lobbies, or public areas. It offers stable support for heavier displays, flexible height adjustment, and integrated cable routing to keep installations tidy and professional.

Large Ceiling Mount For TV/Display in short:

- Supports one display from 37-inch to 80-inch, suited for presentation rooms and public signage.
- Compatible with VESA patterns up to 600 x 400 mm, covering common mounting interfaces for most large displays.
- Adjustable ceiling tube from 70 to 150 cm so you can set the optimal viewing height.
- Tilt from -25 to 5 degrees and swivel ± 30 degrees for easy screen alignment.
- Check ceiling structure and confirm screen weight and VESA pattern before purchase to ensure safe installation.

Large Ceiling Mount For TV/Display

The Prokord Large Ceiling Mount For TV/Display is a steel ceiling-mounted bracket designed to hold a single large display securely. It supports a broad range of VESA patterns and a maximum load of 50 kg, so you can mount most 37-inch to 80-inch screens used for presentations and digital signage. The extendable tube lets you position the screen at the right height for different room layouts. Tilt and swivel adjustments allow precise viewing angles, and built-in cable management keeps cables concealed for a neat installation.
