

Large Wall Mount Full-Motion Alu-Deluxe

Data sheet

Summary

- ✓ Full-motion arm for swivel, tilt and extension, suitable for meeting rooms and public displays.
- ✓ Supports screens from 37" to 70" and up to 50 kg, so it works with a wide range of large TVs.
- ✓ Compatible with VESA patterns from 200 x 200 up to 600 x 400 mm, easing display mounting.
- ✓ Aluminium and steel construction with cable management for durability and a tidy installation.
- ✓ Check your display's weight and VESA pattern before purchase to ensure compatibility.

Product description

Why choose this wall mount?

Prokord Large Wall Mount Full-Motion Alu-Deluxe. This full-motion wall mount gives flexible positioning for large displays, helping you find the right viewing angle and save floor space. It supports heavy screens and offers built-in cable management, which reduces clutter and makes installations neater and more reliable in meeting rooms, lobbies, and digital signage applications.

Large Wall Mount Full-Motion Alu-Deluxe in short:

- Full-motion arm for swivel, tilt and extension, suitable for meeting rooms and public displays.
- Supports screens from 37" to 70" and up to 50 kg, so it works with a wide range of large TVs.
- Compatible with VESA patterns from 200 x 200 up to 600 x 400 mm, easing display mounting.
- Aluminium and steel construction with cable management for durability and a tidy installation.
- Check your display's weight and VESA pattern before purchase to ensure compatibility.

Product details

The Large Wall Mount Full-Motion Alu-Deluxe provides smooth articulation and a tilt range of -15 to 5 degrees, so you can reduce glare and optimise sightlines. It extends to a maximum depth of 639 mm for flexible placement, while the mounting footprint fits many common installations with a maximum VESA of 600 x 400 mm. Designed for a single display, it combines aluminium and steel for strength and supports routine adjustments without compromising stability. Cable management channels keep wiring concealed for a professional finish.
