

Compact Mouse Pad 26x22 cm – For Office Computers

Data sheet

Summary

- ✓ Smooth fabric surface for consistent cursor control with optical and laser mice, useful for data entry and general office tasks.
- ✓ Non-slip rubber base keeps the pad stable on laminate, wood, or metal desks.
- ✓ Compact 260 x 220 mm footprint saves desk space and fits laptop trays and docking stations.
- ✓ Slim 2 mm profile maintains ergonomic alignment with laptop keyboards and mouse surfaces.
- ✓ Note: the white Voxicon logo is visible on the black surface, which may be relevant for branded workstation setups.

Product description

Why choose this mouse pad?

Compact Mouse Pad 26x22 cm – For Office Computers, Voxicon helps you keep mouse movement accurate on small desks and laptop trays with a tidy, low-profile surface. The slim 2 mm profile and non-slip rubber base reduce wobble and improve comfort during long sessions. Its monochromatic black and white design fits corporate workspaces and stays easy to clean and maintain.

Compact Mouse Pad 26x22 cm – For Office Computers in short:

- Smooth fabric surface for consistent cursor control with optical and laser mice, useful for data entry and general office tasks.
- Non-slip rubber base keeps the pad stable on laminate, wood, or metal desks.
- Compact 260 x 220 mm footprint saves desk space and fits laptop trays and docking stations.
- Slim 2 mm profile maintains ergonomic alignment with laptop keyboards and mouse surfaces.
- Note: the white Voxicon logo is visible on the black surface, which may be relevant for branded workstation setups.

Compact Mouse Pad 26x22 cm – For Office Computers

The fabric top bonded to a rubber base provides reliable tracking and stability for everyday office work. The compact dimensions and 2 mm thickness make it easy to carry with a laptop or place on shared workstations without adding bulk. The monochromatic black surface with a white Voxicon logo offers a discreet, professional look that integrates well into most office environments.
