- ✓ Monochromatic black with a white Voxicon logo for a clean, professional look
- ✓ Measures 370 x 270 mm for generous mouse movement, note the thin profile if you need extra wrist cushioning

Product description

Why choose this mouse pad?

Voxicon Standard Mouse Pad 32x27 cm – For Office & Workspace provides a stable, low-profile surface for everyday computer work. It pairs a smooth textile top with a rubber base to promote consistent mouse tracking and protect your desk. The monochromatic black design with a subtle white logo fits neutral office environments and helps keep your workspace orderly.

Standard Mouse Pad 32x27 cm – For Office & Workspace in short:

- Smooth textile surface for reliable tracking during routine office tasks
- Non-slip rubber base keeps the pad firmly in place on most desks
- Low-profile 2 mm thickness for a slim, unobtrusive feel under your mouse
- Monochromatic black with a white Voxicon logo for a clean, professional look
- Measures 370 x 270 mm for generous mouse movement, note the thin profile if you need extra wrist cushioning

Product details

This mouse pad combines a textile surface with a rubber backing to balance control and stability. The fabric top supports precise pointer movement while the rubber base prevents shifting on smooth surfaces. At 2 mm thickness the pad lies flat and is easy to position alongside keyboards and other desk accessories. Routine cleaning is straightforward, a damp cloth removes most surface dirt and keeps the pad looking neat.
