Product description

Voxicon 285 Aluminum USB Keyboard

Experience a combination of style and function with the Voxicon 285 Aluminum USB Keyboard. This full-size keyboard has a slim and exclusive design, making it a perfect choice for both the workstation and home. Made from aluminum, this keyboard offers low-profile keys that make typing comfortable and ensure precise keystrokes.

Design and Function

The keyboard is built from durable aluminum to provide both a sleek and robust feel. The quiet, low-profile keys provide a comfortable and efficient typing experience. The numeric keypad makes it perfect for both office work and personal use where numbers are frequently used.

Easy Connection with USB

With USB connectivity and plug-and-play functionality, installation is simple - just plug in and start using the keyboard straight away, without the need to install any drivers.

Perfect Enhancement for Your Workstation

Whether you use it in the office or at home, the Voxicon 285 Aluminum USB Keyboard is the perfect solution for both aesthetics and functionality. The sleek design fits any workstation and provides both style and comfort.

Key Features:

- Full-size Layout: With numeric keypad, QWERTY keyboard and Swedish/Nordic layout.
- USB connection: Easy and fast connection, plug-and-play without driver installations.
- Low profile keys: For comfortable typing experience.
- Aluminum design: Robust and stylish.
- Cable length: 1.5 meters for flexibility in use.
