

Fixed Medium Wall Mount Anti-Theft

Data sheet

Summary

- ✓ Fixed, anti-theft design that accepts a padlock and uses two pull-release cords for controlled removal.
- ✓ Fits 32"–70" screens and common VESA patterns up to 600 x 400 mm, supporting displays up to 50 kg.
- ✓ Slim 67 mm profile keeps the screen close to the wall and includes a built-in spirit level for accurate alignment.
- ✓ Suited to conference rooms, retail digital signage, and educational spaces where secure, permanent mounting is required.
- ✓ Consider that it is not suitable for screens larger than 70" or exceeding the weight limit, and a suitably strong wall and fixings are needed for installation.

Product description

Why choose this wall mount?

Prokord Fixed Medium Wall Mount Anti-Theft provides a secure, low-profile mounting solution for displays from 32 to 70 inches. It helps protect installations in public or shared spaces with a padlock option and pull-release security cords. Multiple VESA patterns and a compact 67 mm depth make it practical for conference rooms, retail signage, and classrooms.

Prokord Fixed Medium Wall Mount Anti-Theft in short:

- Fixed, anti-theft design that accepts a padlock and uses two pull-release cords for controlled removal.

Installation and use

The mount attaches to a solid wall plate and aligns easily using the integrated spirit level. Vertical brackets accommodate a range of VESA patterns so you can mount different screens without extra adapters. Once the display is hung, you can secure it with the padlock option and use the pull-release cords for safe, controlled removal during maintenance. Prokord Fixed Medium Wall Mount Anti-Theft is designed to make secure mounting straightforward and dependable in everyday business environments.
