Product description

Why choose this screen protector?

Cirafon Glass Plus, Cirafon, provides reliable tempered-glass protection for 9.7 inch iPad models while keeping the display clear and responsive. It reduces everyday wear from dust and scratches, cleans easily thanks to an oleophobic coating, and installs with full-adhesive backing for a secure fit. The glossy, transparent finish maintains screen clarity and a natural touch experience.

Product details

Cirafon Glass Plus is a clear screen protector made from tempered glass that keeps your iPad’s display looking and working as intended. The full-adhesive layer helps align the protector and minimises gaps and edge lifting, while rounded edges improve comfort during use. The glossy, transparent surface preserves colour and brightness and the oleophobic coating limits smudges so you spend less time cleaning. Each pack contains one protector in a hanging box, sized for iPads with a 9.7 inch screen and front home button.
