- ✓ Rounded edges and transparent design preserve the look and feel of your Galaxy A51.
- ✓ Supplied as a single protector in a hanging box for straightforward storage and retail display.

# Product description

## Why choose this screen protector?

Cirafon Asahi Silicate(Double Tempered) is a clear tempered glass screen protector designed for the Samsung Galaxy A51. It provides reliable scratch, dust, and dirt resistance while preserving display clarity with a glossy finish and oleophobic coating. Full-adhesive installation and rounded edges ensure a secure, comfortable fit that keeps your screen responsive and easy to maintain.

## Asahi Silicate(Double Tempered) in short:

- 0.3mm tempered glass for slim, everyday protection against scratches and minor impacts.
- Full adhesive layer for edge-to-edge contact and consistent touch responsiveness.
- Oleophobic coating and glossy finish make cleaning quick and reduce fingerprint smudges.
- Rounded edges and transparent design preserve the look and feel of your Galaxy A51.
- Supplied as a single protector in a hanging box for straightforward storage and retail display.

## Product details

The protector shields the Galaxy A51 display from everyday wear without adding bulk. Its full-adhesive fit keeps the glass in place and maintains touch accuracy, while the oleophobic surface makes it easy to wipe away fingerprints and dirt. The thin profile and rounded edges provide a comfortable fit that stays discreet, and the single-piece pack is convenient for direct replacement when needed.
