

Asahi Silicate(Double Tempered)

Data sheet

Summary

- ✓ Clear tempered glass protector engineered for Samsung Galaxy A71, suitable for screens up to 6.7 inches.
- ✓ 9H surface hardness provides effective resistance against scratches and daily wear.
- ✓ Full-adhesive design enables bubble-free installation and maintains touch sensitivity with a thin 0.3mm profile.
- ✓ Glossy, oleophobic surface and rounded edges reduce smudges and improve handling comfort.
- ✓ Supplied as a single transparent protector, easy to apply and remove.

Product description

Why choose this screen protector?

Cirafon Asahi Silicate(Double Tempered) offers reliable everyday protection for your device while preserving screen clarity and touch responsiveness. The tempered glass surface resists scratches and grime, and a full-adhesive, bubble-free fit makes installation straightforward. Its glossy, oleophobic finish reduces fingerprints and is easy to clean, so your screen stays clear with minimal upkeep.

Asahi Silicate(Double Tempered) in short:

- Clear tempered glass protector engineered for Samsung Galaxy A71, suitable for screens up to 6.7 inches.
- 9H surface hardness provides effective resistance against scratches and daily wear.
- Full-adhesive design enables bubble-free installation and maintains touch sensitivity with a thin 0.3mm profile.
- Glossy, oleophobic surface and rounded edges reduce smudges and improve handling comfort.
- Supplied as a single transparent protector, easy to apply and remove.

Product details

The Cirafon Asahi Silicate(Double Tempered) screen protector shields your Galaxy A71 from dust, dirt, and light impacts without altering the device's appearance. The full-adhesive backing secures the protector across the screen for consistent coverage and a stable fit. At 0.3mm thickness the glass keeps touch response intact while the glossy, oleophobic coating limits fingerprints and is simple to wipe clean. Rounded edges make the protector comfortable to hold, and the single-piece packaging is convenient for retail display and single-device use.
