

Asahi Soda(Double Tempered)

Data sheet

Summary

- ✓ Users looking to protect their Galaxy S20 Ultra screen
- ✓ Owners of Samsung devices who value durability
- ✓ People seeking a simple, effective screen protector solution
- ✓ Users interested in a sleek, clear display enhancement

Product description

Overview

Cirafon Asahi Sodja(Double Tempered) is a clear screen protector designed to shield your Galaxy S20 Ultra with durable tempered glass. It offers reliable protection against dust, dirt, and scratches, ensuring your device stays in pristine condition. This clear screen protector boasts a glossy finish and an oleophobic coating for easy cleaning, while its full adhesive installation and rounded edges provide a smooth, bubble-free application and a comfortable feel.

Who is it for?

- Users looking to protect their Galaxy S20 Ultra screen
- Owners of Samsung devices who value durability
- People seeking a simple, effective screen protector solution
- Users interested in a sleek, clear display enhancement

Benefits

This screen protector enhances your device experience by providing strong, yet transparent protection without compromising touch sensitivity or clarity. Its easy-to-apply design and adhesive backing make installation straightforward, while the rounded edges and oleophobic coating improve comfort and ease maintenance. The clear, glossy finish preserves the original look of your smartphone while offering long-lasting defense against everyday wear and tear.

Things to consider

- Not compatible with devices larger than a 6.5" screen
- Intended for use with Galaxy S20 Ultra only

Why choose this clear screen protector?

Choose this clear screen protector for its dependable performance and ease of use. Its design offers practical solutions for everyday screen protection, reducing repair costs while maintaining a natural display appearance. Its clear, robust design keeps your device looking sharp and well-protected over time.
