Product description

Why choose this USB cable?

Cirafon Sync/Charge Cable USB-C USB 1.0m Black/Red Q is a practical cable for everyday charging and data transfer. Its 1 meter length gives enough reach for desk or travel use. The braided jacket and reinforced ends improve durability, while the angled USB-C plug makes connections in tight spaces easier and reduces cable strain.

Sync/Charge Cable USB-C USB 1.0m Black/Red Q

The Cirafon Sync/Charge Cable USB-C USB 1.0m Black/Red Q lets you charge and sync smartphones, tablets, and USB-C accessories from standard USB-A ports. The cable’s braided finish and reinforced junctions increase resistance to bending and abrasion, so it holds up to regular use. The compact right-angle USB-C connector reduces side stress on ported devices and keeps the cable tidy when space is limited.
