

BT310 Duo With ANC MicStereo Black

Data sheet

Summary

- ✓ Stereo Bluetooth headset with a noise-canceling boom microphone, suitable for busy offices and remote call environments.
- ✓ Lightweight head-band design with adjustable headband and soft foam pads for extended comfort.
- ✓ 28 mm drivers tuned for clear speech and reliable media playback.
- ✓ Built-in rechargeable Li-ion battery with up to 200 hours standby, suited for long workdays and device rotations.
- ✓ No USB Type-C port and no AC adapter included, so check charging cable compatibility and available power sources.

Product description

Why choose this headset?

Voxicon BT310 Duo With ANC Mic is a lightweight, stereo Bluetooth headset designed for clear voice communication and comfortable all-day wear. Its adjustable headband and soft supra-aural pads reduce fatigue during long shifts. The noise-canceling boom microphone improves call clarity, while wireless connectivity keeps your workspace tidy and mobile workflows simple.

BT310 Duo With ANC Mic in short:

- Stereo Bluetooth headset with a noise-canceling boom microphone, suitable for busy offices and remote call environments.
- Lightweight head-band design with adjustable headband and soft foam pads for extended comfort.
- 28 mm drivers tuned for clear speech and reliable media playback.
- Built-in rechargeable Li-ion battery with up to 200 hours standby, suited for long workdays and device rotations.
- No USB Type-C port and no AC adapter included, so check charging cable compatibility and available power sources.

Design and comfort

The BT310 Duo With ANC Mic uses a slim head-band and compact on-ear cups to keep weight low and mobility high. The supra-aural foam pads sit gently on the ear, which helps reduce pressure during long use. The adjustable headband lets you find a stable fit whether you are seated at a desk or moving between meetings.

Voice quality and microphone

The boom microphone includes noise-canceling technology to reduce background sounds and focus on the speaker's voice. This makes the headset well suited for call centers, virtual meetings, and hybrid work where clear speech matters. Stereo drivers provide a balanced sound for both voice and multimedia.

Battery and connectivity

Wireless Bluetooth connection simplifies pairing with laptops and mobile devices, removing cable clutter from your workstation. The built-in Li-ion battery offers long standby times, and the headset charges at low power levels, so it works with common USB power sources. RoHS and REACH compliance ensure the product meets established environmental and safety standards.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Performance

Product type	Headset
Wearing style	Head-band
Headset type	Stereo
Product colour	Black
Adjustable headband	Yes

Ports & interfaces

Connectivity technology	Wireless
Bluetooth	Yes

Headphones

Ear coupling	Supraaural
Headphone frequency	100 - 10000 Hz
Driver unit	28 mm
Impedance	32 Ohm
Headphone sensitivity	90 dB

Microphone

Microphone type	Boom
Microphone frequency	100 - 8000 Hz
Microphone noise-canceling	Yes

Battery

Battery operated	Yes
Battery type	Built-in battery
Battery technology	Li-ion
Standby time	200 h

Power

USB Type-C charging port	No
USB Power Delivery (USB PD)	No
Required charging power (min)	0.3 W
Required charging power (max)	5 W

Packaging content

AC adapter included	No
