

Ceiling Mount For TV/Display Medium

Data sheet

Summary

- ✓ Supports one display, compatible with VESA 100 x 100 up to 200 x 200 mm for common small and medium screens.
- ✓ Adjustable tilt from -25° to 0° and pan range of -180° to 180° for versatile viewing positions.
- ✓ Height-adjustable ceiling tube, 106 cm to 156 cm, to position screens at the right eye level.
- ✓ Integrated cable management through the mounting tube keeps wiring concealed for a tidy installation.
- ✓ Consideration: designed for screens 23"-42" and a maximum load of 50 kg, so larger or heavier displays require a different solution.

Product description

Why choose this ceiling mount?

Prokord Ceiling Mount For TV/Display Medium is a steel ceiling mount that secures 23" to 42" screens while keeping cables out of sight. It gives flexible viewing with tilt and full pan, and a height-adjustable tube to adapt to different room layouts. The robust design supports a single display and is suited to meeting rooms, classrooms, and retail displays.

Prokord Ceiling Mount For TV/Display Medium in short:

- Supports one display, compatible with VESA 100 x 100 up to 200 x 200 mm for common small and medium screens.
- Adjustable tilt from -25° to 0° and pan range of -180° to 180° for versatile viewing positions.
- Height-adjustable ceiling tube, 106 cm to 156 cm, to position screens at the right eye level.
- Integrated cable management through the mounting tube keeps wiring concealed for a tidy installation.
- Consideration: designed for screens 23"–42" and a maximum load of 50 kg, so larger or heavier displays require a different solution.

Prokord Ceiling Mount For TV/Display Medium

This ceiling mount provides stable support and practical adjustability for a single TV or display. The VESA-compatible mounting plate fits a range of small and medium panels, while the height-adjustable tube lets you set the display height for sightlines and room layout. Tilt and full pan let you fine-tune the viewing angle, and the internal cable channel keeps power and AV cables hidden for a clean installation. The steel construction offers reliable rigidity for everyday use in professional environments.
