

Privacy Filter 14" 16:9 for Laptop – Standard Screen Privacy Protector 14" 16:9

Data sheet

Summary

- ✓ Frameless 14" 16:9 privacy filter that limits side viewing to 60 degrees, keeping on-screen content visible only to the user.
- ✓ Anti-glare and scratch resistant surface reduces reflections and protects the display during everyday use.
- ✓ Touchscreen compatible and fingerprint resistant, so touch input remains responsive and the screen stays cleaner.
- ✓ Simple installation using an adhesive strip plus slide mount tab, with a discreet black finish suited to landscape orientation.
- ✓ REACH compliant for chemical safety, supporting corporate procurement requirements.

Product description

Why choose this laptop privacy filter?

Cirafon Privacy Filter 14" 16:9 for Laptop – Standard Screen Privacy Protector helps keep on-screen information private in public or shared spaces. It narrows side viewing to 60 degrees to reduce shoulder surfing, while cutting glare and protecting the display from scratches for clearer, more secure use.

Privacy Filter 14" 16:9 for Laptop – Standard Screen Privacy Protector in short:

- Frameless 14" 16:9 privacy filter that limits side viewing to 60 degrees, keeping on-screen content visible only to the user.
- Anti-glare and scratch resistant surface reduces reflections and protects the display during everyday use.
- Touchscreen compatible and fingerprint resistant, so touch input remains responsive and the screen stays cleaner.
- Simple installation using an adhesive strip plus slide mount tab, with a discreet black finish suited to landscape orientation.
- REACH compliant for chemical safety, supporting corporate procurement requirements.

Product details

The Cirafon Privacy Filter 14" 16:9 for Laptop – Standard Screen Privacy Protector sits close to the display for a natural viewing experience while restricting off-angle visibility to protect sensitive data. Its anti-glare coating improves comfort in bright environments and the scratch-resistant surface preserves the screen. The adhesive strip plus slide mount tab provides secure mounting and straightforward removal for cleaning or transport.
