Product description

Prokord Workplace Power Adapter 20V/6.5A – Spare Part for Docking Stations

Prokord Workplace Power Adapter 20V/6.5A is a genuine spare part designed to deliver powerful and stable power to several of Prokord’s advanced docking stations. With an output of 20V and 6.5A, it's ideal for docks with higher power demands.

This adapter is compatible with the following models:

- Prokord Workplace Metal Docking Station USB-C 5K Dual 100W PD
- Prokord Workplace Docking Station II Thunderbolt 3

The adapter is a great choice as a replacement for a lost, damaged, or additional unit – easy to connect and ready to use immediately.

Features:

- Original adapter for the listed Prokord docking stations
- Output: 20V / 6.5A
- Safe and stable power supply for high-performance docks
- Easy installation – plug and play
- Durable design for everyday use in professional environments

Powerful, reliable, and built for the modern workstation.
