GILFORD

Ink Matte Black 727 300ml - Dj T1530 - C1q12A

Data sheet

Summary

- ✓ Remanufactured matte black ink cartridge by Gilford, providing a cost-effective alternative to originals.
- ✓ 300ml capacity for extended printing between replacements, helping maintain workflow continuity.
- ✓ Compatible with HP Designjet T920, T930, T1500, T1530, T2500 and T2530, suitable for wide-format plotting and signage.
- ✓ Matte finish reduces glare and keeps details sharp on maps, plans and presentation materials.

Product description

Why choose this ink cartridge?

Gilford Ink Matte Black 727 300ml - Dj T1530 - C1q12A delivers consistent, matte black output that reduces glare and preserves fine detail. The 300ml single pack supports longer print runs and fewer interruptions. It is well suited for technical drawings, signage, and client-facing documents where clear, non-reflective results matter.

Ink Matte Black 727 300ml - Dj T1530 - C1q12A in short:

- Remanufactured matte black ink cartridge by Gilford, providing a cost-effective alternative to originals.
- 300ml capacity for extended printing between replacements, helping maintain workflow continuity.
- Compatible with HP Designjet T920, T930, T1500, T1530, T2500 and T2530, suitable for wide-format plotting and signage.
- Matte finish reduces glare and keeps details sharp on maps, plans and presentation materials.

Product details

This cartridge is remanufactured to deliver reliable matte-black prints for compatible HP Designjet devices. It produces consistent, low-glare output across a range of media and supports longer jobs thanks to its 300ml volume. The single-pack format makes stocking and replacement straightforward, helping you keep production moving.
