

Ink Cyan - MFC-J5330/MFC-J6930 - LC3217c

Data sheet

Summary

- ✓ Manufactured by Gilford to provide consistent cyan color in documents and images.
- ✓ Supplied as a single pack, one cartridge per box, which simplifies inventory and replacements.
- ✓ Ideal for offices, remote work setups, and teams producing color reports, presentations, and marketing materials.
- ✓ Compatible with Brother MFC-J series printers, including MFC-J5330 and MFC-J6930, and referenced as DP-B-03217C for easy identification.
- ✓ Consider ordering additional packs if you have high-volume color printing needs.

Product description

Why choose this ink cartridge?

Gilford Ink Cyan - MFC-J5330/MFC-J6930 - LC3217c delivers consistent cyan tones for everyday documents and graphics. It helps reduce workflow interruptions with reliable output and predictable color reproduction. Packaged as a single replacement cartridge, it is easy to store and swap so compatible printers return to service with minimal fuss.

Ink Cyan - MFC-J5330/MFC-J6930 - LC3217c in short:

- Manufactured by Gilford to provide consistent cyan color in documents and images.
- Supplied as a single pack, one cartridge per box, which simplifies inventory and replacements.
- Ideal for offices, remote work setups, and teams producing color reports, presentations, and marketing materials.
- Compatible with Brother MFC-J series printers, including MFC-J5330 and MFC-J6930, and referenced as DP-B-03217C for easy identification.
- Consider ordering additional packs if you have high-volume color printing needs.

Product details

This replacement ink cartridge fits the specified Brother MFC series printers and delivers steady cyan output for both text and graphics. The Gilford branding and DP-B-03217C reference are visible on the blue and white packaging, making it straightforward to match with your printer model. Installation is simple, so you can return the printer to service quickly, and the single-pack format is practical for keeping a small supply on hand for routine maintenance.
