- ✓ Clamp and bolt-through mounting for stable installation on a variety of desks.
- ✓ Integrated cable management keeps cables routed and out of the way.
- ✓ Check desk edge thickness and clearance to ensure clamp or bolt-through fit.

Product description

Why choose this desk mount?

Prokord Deskmount - Black secures your monitor while giving wide adjustability to improve comfort and desk organisation. It supports common VESA patterns and a 17" to 27" monitor range, letting you position the screen for better posture and reduced eye strain. Built from steel, aluminium, and plastic, it balances durability with a compact footprint for busy workspaces.

Deskmount - Black in short:

- Holds one 17"–27" display, suitable for monitors up to 6.5 kg.
- Articulated arm with tilt -45° to 90°, pan -90° to 90° and 360° rotation for easy portrait or landscape use.
- Clamp and bolt-through mounting for stable installation on a variety of desks.
- Integrated cable management keeps cables routed and out of the way.
- Check desk edge thickness and clearance to ensure clamp or bolt-through fit.

Product details

Deskmount - Black fits VESA 75 x 75 mm and 100 x 100 mm mounting patterns and mounts securely via clamp or bolt-through methods. The articulated arm lets you adjust height and angle to suit different tasks, while the 360° rotation allows quick switching between orientations. Built from a mix of steel, aluminium, and plastic, the mount is designed for everyday use and includes built-in cable management to keep your workstation tidy.
