Product description

Why choose this adapter?

Prokord Adapter RJ45-RJ45 F/F 8P CAT6 gives you a compact, no-fuss way to join two RJ45 patch cables for short network runs. It follows the Cat6 standard with U/UTP construction to keep connections stable. The LSZH outer jacket reduces smoke and hazardous gases, which helps meet safety requirements in office and data centre environments.

Prokord Adapter RJ45-RJ45 F/F 8P CAT6

This inline adapter connects two RJ45 cables without re-termination, so you can extend or repair cable runs quickly. The Cat6-compatible construction helps preserve network performance across the join, while the compact housing keeps connectors secure and easy to manage in racks and workstations. Its low smoke zero halogen jacket supports installations where safety and compliance are priorities.
