Product description

Voxicon BT Keyboard 295BWL - Slim Wireless Full Size Keyboard for PC and MAC

Advantages of the Voxicon BT Keyboard 295BWL:

- Multi-Point Technology: Connect up to 4 devices and easily switch between them at the touch of a button, perfect for multitasking.
- Long Battery Life: Use the keyboard for up to a month on a single charge. The rechargeable battery means no need to change batteries.
- PC and MAC compatibility: The keyboard works via Bluetooth or RF technology for easy connection to both PC and MAC.
- Slim and Durable Design: Sleek, low-profile keys and a durable silver and white aluminum chassis provide both style and long-lasting performance.

******The Voxicon BT Keyboard 295BWL is the perfect wireless keyboard for both PC and MAC users looking for a stylish and functional solution. This full-size keyboard is designed to offer comfort and performance with a sleek aluminum construction and low profile keys that provide a precise and comfortable typing experience.

Flexible Multi-Point Technology

The keyboard features an innovative Multi-Point technology that allows you to connect up to 4 different devices simultaneously. With a single keystroke, you can switch between devices without having to switch. This feature makes it perfect for multi-tasking and smooth multi-platform use, making this keyboard ideal for both work and play.

Long-lasting Rechargeable Battery

The Voxicon BT Keyboard 295BWL features a rechargeable battery with long battery life. You can use the keyboard for up to a month without needing to recharge, making it a practical and reliable tool for both the home office and the workplace. Charge easily with the included USB-C cable.

Compatibility and Performance

The wireless keyboard works seamlessly with both PC and MAC, connecting via Bluetooth or wireless RF technology. The keyboard is not only functional, but also aesthetically pleasing with its metal finish and slim design in silver and white. The full keyboard layout with numeric keys brings both usability and style to your workstation.

For a Complete Experience

Give your office a boost with the Voxicon BT Keyboard 295BWL - a wireless keyboard that provides an ergonomic and efficient typing experience. Easy to connect, simple to use, and designed for durability, this is the keyboard that fits every need.

Feel free to combine your keyboard with a mouse or mouse pad to enhance your user experience!
