

Ink Grey - CLI-551GY XL

Data sheet

Summary

- ✓ Compatible replacement for Canon printers, suitable for documents, proofs, and mixed text-image jobs.
- ✓ XL capacity, around 660 pages, reduces cartridge changes during busy periods.
- ✓ Pigment-based ink for sharp, smudge-resistant output and consistent grey tones.
- ✓ Supplied as a single cartridge per pack for straightforward stock control.
- ✓ Note that this is a Gilford compatible cartridge, offering a cost-conscious alternative to OEM supplies.

Product description

Why choose this ink cartridge?

Gilford Ink Grey - CLI-551GY XL helps you keep print runs efficient and reliable while lowering refill frequency with its XL capacity. It fits Canon printers and uses a pigment-based formulation to deliver stable greys and crisp text. The single-pack format makes it easy to replace and manage inventory with minimal disruption to your workflow.

Ink Grey - CLI-551GY XL in short:

- Compatible replacement for Canon printers, suitable for documents, proofs, and mixed text-image jobs.
- XL capacity, around 660 pages, reduces cartridge changes during busy periods.
- Pigment-based ink for sharp, smudge-resistant output and consistent grey tones.
- Supplied as a single cartridge per pack for straightforward stock control.
- Note that this is a Gilford compatible cartridge, offering a cost-conscious alternative to OEM supplies.

Cartridge details

Gilford Ink Grey - CLI-551GY XL is designed as a direct-fit accessory for compatible Canon models, giving you a practical option when neutral grey tones matter. The larger yield supports longer uninterrupted printing, and the pigment-based formulation helps maintain legibility and resistance to smearing. Installation is quick, so you can return to printing with minimal downtime.
