

Wireless Ergo E902 BlackWireless Membrane Nordic

Data sheet

Summary

- ✓ Wireless range: 10 m
- ✓ USB connector type: USB-A
- ✓ Number of devices supported: 3

Product description

Voxicon Wireless Ergokeyboard E902 - The Best Ergonomic Keyboard for the Office

Looking for an ergonomic keyboard that's both wireless and comfortable?

The Voxicon Wireless Ergokeyboard E902 is the perfect choice for those who want a more ergonomic workday. With its wave-shaped design, padded palm rests, and wireless connectivity via Bluetooth and 2.4GHz, this keyboard provides a natural typing experience that reduces strain on your wrists and fingers.

Ergonomic Keyboard for Maximum Comfort

This ergonomic keyboard is designed to provide your hands and wrists with the right support. Its curved design follows the natural movement of your fingertips, allowing you to type faster and more comfortably. The padded wrist rest adds extra comfort and helps maintain a neutral wrist position throughout the workday.

Wireless Keyboard with Multi-Point Technology

Easily connect your keyboard to three different devices simultaneously and switch between them with a single button press. This is perfect for those who work across multiple devices, like a computer, tablet, and smartphone.

Rechargeable Keyboard with Long Battery Life

Say goodbye to battery changes! The Voxicon Wireless Ergokeyboard E902 features a built-in rechargeable battery that lasts up to a month or more on a single charge. When it's time to recharge, simply use the included USB-C cable.

Adjustable Tilt for Optimal Ergonomics

The keyboard comes with adjustable legs offering three positions: negative, neutral, and positive. This feature allows you to customize the tilt to match your ideal working posture and minimize strain on your wrists and shoulders.

Complete with an Ergonomic Mouse

For the ultimate ergonomic setup, pair the keyboard with a Voxicon ergonomic mouse. Designed to maximize comfort and reduce hand strain during prolonged use, it enhances your overall ergonomic experience.

Why Choose the Voxicon Wireless Ergokeyboard E902?

? Ergonomic design that reduces wrist and finger strain ? Wireless connectivity via Bluetooth and 2.4GHz for maximum flexibility ? Multi-point technology - connect up to three devices and seamlessly switch between them ? Rechargeable battery with long usage time and USB-C charging ? Padded wrist rest for extra comfort during long workdays

Give your hands the comfort they deserve and optimize your work environment with the Voxicon Wireless Ergokeyboard E902. Order today and experience the difference!
