

Ceiling Mount For TV/Display Medium

Data sheet

Summary

- ✓ Fits 23"–42" displays and supports up to 50 kg, suitable for medium-sized screens.
- ✓ Compatible with VESA 100 x 100, 200 x 100, and 200 x 200 mm for easy display attachment.
- ✓ Height adjustable from 1060 mm to 1560 mm, with tilt -25° to 0° and pan -180° to 180° for flexible positioning.
- ✓ Built-in cable management and robust steel housing for clean, durable installations.
- ✓ Consideration: designed for single-display ceiling installations, not for wall mounting or multi-screen arrays.

Product description

Why choose this ceiling mount?

Prokord Ceiling Mount For TV/Display Medium secures screens from 23" to 42" to the ceiling while providing height, tilt, and pan adjustments for clearer sightlines and reduced glare. Its steel construction supports up to 50 kg and integrated cable routing keeps installations tidy. The mount fits common VESA patterns up to 200 x 200 mm, making it suitable for signage, classrooms, and meeting rooms.

Prokord Ceiling Mount For TV/Display Medium in short:

- Fits 23"–42" displays and supports up to 50 kg, suitable for medium-sized screens.
- Compatible with VESA 100 x 100, 200 x 100, and 200 x 200 mm for easy display attachment.
- Height adjustable from 1060 mm to 1560 mm, with tilt -25° to 0° and pan -180° to 180° for flexible positioning.
- Built-in cable management and robust steel housing for clean, durable installations.
- Consideration: designed for single-display ceiling installations, not for wall mounting or multi-screen arrays.

Prokord Ceiling Mount For TV/Display Medium

This ceiling mount uses a low-profile canopy and a telescopic pole with multiple height settings to position the screen where it is most effective. The VESA-compatible plate makes attaching most medium displays straightforward, while the tilt and pan controls let you fine tune the viewing angle. Cable routing through the pole reduces visible wiring, giving a neater result for public spaces, classrooms, or meeting rooms.
