Product description

Prokord PC-0412B Office and Computer Chair – Active Seating Comfort with Foot Ring

Experience dynamic and ergonomic seating with the Prokord PC-0412B – a height-adjustable office chair with foot ring, ideal for active workspaces, standing desks, labs, and reception areas.

Ergonomic design with smart features

Equipped with an air-lift mechanism, the chair allows quick and easy height adjustment (600–860 mm). The integrated foot ring adds comfort and leg support, promoting good circulation during longer periods of sitting.

Durable materials

The round seat is upholstered in durable and water-resistant PU leather, making it easy to clean and ideal for hygiene-sensitive environments. The chair includes PU casters that roll quietly, protect the floor, and work well on both carpets and hard surfaces.
