Product description

? Prokord 1908-S Ergonomic Office Chair for Business Use

? Designed for professional workspaces

The Prokord 1908-S is an ergonomic office chair ideal for businesses, home offices, and shared workspaces. Its sleek black design fits modern environments, combining style with functionality. The breathable mesh back keeps you cool and supported during long workdays.

?? Customizable comfort for every user

A class 4 gas lift ensures smooth height adjustment. The backrest is tilt-adjustable, armrests are height-adjustable, and the headrest can be tailored to different users – perfect for shared desks.

? Practical features for everyday use

An integrated coat hanger on the back makes it easy to keep jackets or bags off the floor – great for open-plan offices.

? EN 1335-certified for safety and ergonomics

Certified to EN 1335-1:2020 (Type C), this chair meets EU standards for dimensions, stability, and ergonomic support – a reliable choice for professional use.

? Key Features:

- Ergonomic office chair with adjustable headrest and armrests
- Breathable mesh back for improved comfort
- Class 4 gas lift for easy height adjustment
- Sleek and practical with built-in coat hanger
- EN 1335 Type C certified for professional use
- Weight tested up to 160 kg
