- ✓ Consider desk dimensions before purchase to ensure the pad fits your workspace.

Product description

Why choose this mouse pad?

Voxicon VA-MP04B mouse pad Gaming mouse pad Black gives you an extra-large, durable surface that keeps mouse movements consistent while protecting your desk. Its 900 x 400 mm area fits both keyboard and mouse, and a 5 mm profile adds cushioning for long sessions. The washable, monochromatic black finish is easy to maintain and blends into most setups, and a three year warranty supports long-term use.

VA-MP04B mouse pad Gaming mouse pad Black in short:

- Extra-large 900 x 400 mm surface, suitable for wide mouse sweeps and a full keyboard layout.
- 5 mm thickness adds cushioning for comfort during extended use.
- Monochromatic black surface reduces visual distraction and supports consistent sensor tracking.
- Washable material for easy cleaning and upkeep.
- Consider desk dimensions before purchase to ensure the pad fits your workspace.

Voxicon VA-MP04B mouse pad Gaming mouse pad Black

This mouse pad provides a wide, uniform surface that helps maintain predictable cursor control and comfortable hand placement. The plain black design keeps focus on your work or play and requires little maintenance. Note that the pad is a simple, non-illuminated accessory with no USB ports, making it a low-complexity, easy-to-care-for addition to your desktop, backed by a three year warranty.
