Product description

Voxicon GreenScreen Pro 148M – Portable green screen for home office and studio

Professional background in seconds – wherever you are

Working from home, streaming, or delivering online presentations? Then you know how important it is to appear clearly – without a distracting background. With the Voxicon GreenScreen Pro 148M, you'll instantly create a clean, professional environment – perfect for Teams, Zoom, or YouTube.

Its self-deploying pop-up technology allows for fast and effortless setup. The wrinkle-resistant surface ensures a smooth, clean result every time. Its compact format is perfect for smaller spaces, and the foldable design makes it easy to store between uses.

? Ideal for:

- Video meetings and presentations
- Streaming and content creation
- Online teaching

? Features:

- Pop-up technology – ready in seconds
- Quick setup – no tools needed
- Wrinkle-resistant material – smooth surface every time
- Compact size – great for small spaces
- Foldable and portable – easy to store or carry
- Dimensions: 1480 x 1800 mm – ideal for seated or standing use
- Sturdy aluminum frame – durable and reliable
- Chroma key compatible – ideal for virtual backgrounds or green screen effects

? Look your best – order today and upgrade your meetings!
