

Velcro Ties 4pcs/set - Voxicon Blue

Data sheet

Summary

- ✓ Reusable hook and loop straps for fast bundling and easy reconfiguration.
- ✓ Blue straps printed with the Voxicon logo for quick visual identification.
- ✓ Pack of 4, suitable for small to medium cable bundles around desks and equipment.
- ✓ Durable plastic construction for everyday cable management tasks.
- ✓ Not intended for heavy loads or high-vibration environments, choose stronger fasteners for those uses.

Product description

Why choose this hook & loop cable tie?

Voxicon DUS102VXB cable organizer Universal Hook & loop cable tie Blue 4 pc(s) gives you a reusable, low-effort way to keep cables tidy. The hook and loop fastening lets you bundle, release and rebundle cables quickly. Use it at desks, in AV setups or in racks to reduce clutter, speed maintenance and keep connections accessible without tools.

Voxicon DUS102VXB cable organizer Universal Hook & loop cable tie Blue 4 pc(s) in short:

- Reusable hook and loop straps for fast bundling and easy reconfiguration.
- Blue straps printed with the Voxicon logo for quick visual identification.
- Pack of 4, suitable for small to medium cable bundles around desks and equipment.
- Durable plastic construction for everyday cable management tasks.
- Not intended for heavy loads or high-vibration environments, choose stronger fasteners for those uses.

Product details

The Voxicon DUS102VXB strap secures cables by wrapping the strap around the bundle and fastening the hook and loop surfaces. No adhesives or tools are required, so you can reposition or reuse the ties as your setup changes. These straps work well for power leads, Ethernet cables and AV wiring, and the printed logo makes organised groups easy to spot. They are not designed for heavy-duty loads or installations with significant vibration.
