- ✓ USB-C and 3.5 mm AUX input
- ✓ Compatible with Windows, macOS, Android, iOS, Linux
- ✓ Battery life: 8–12 hours
- ✓ Charging time: approx. 2.5 hours

Product description

Voxicon R3 BT – Wireless Conference Speaker with Bluetooth and USB for the Workplace

With Voxicon R3 BT, you can easily turn any space into a functional meeting room. This conference speaker is designed for workplaces that demand reliable audio and simple connectivity – whether you're at the office, in a huddle room or working from home.

Four microphones that capture every voice

Thanks to four built-in 360° microphones, everyone around the table is heard clearly. No need to lean in or speak loudly – your natural voice is enough.

Multiple connection options – no setup required

Connect however you prefer: use Bluetooth 5.0, USB-C, or a standard 3.5 mm audio cable. Voxicon R3 BT works seamlessly with PC, Mac, mobile or tablet – no installation needed. Just plug in and start your meeting.

Clear and natural sound – optimized for voice

The powerful built-in speaker is tuned for voice communication, delivering clear and natural sound even in longer meetings. Background noise is minimized so the focus stays on the conversation.

Long battery life and easy control

The built-in battery lasts up to 12 hours on a single charge – enough for a full day's work. Charge via USB and control volume, mute, calls, and source selection directly on the device.

Portable and durable – made for daily use

Voxicon R3 BT is compact and lightweight, making it easy to move between rooms or take with you on business trips. It's also robust enough for everyday office use.
