Product details

This clear tempered glass protector is made to keep your Galaxy S21 display looking and working like new. The 0.3mm thickness balances protection and thinness to keep touch response and screen clarity intact. Full adhesive coverage helps minimise bubbles and keeps the protector firmly in place. The oleophobic coating and glossy surface make daily cleaning simple, and rounded edges reduce the chance of chipping while improving comfort. The product ships in a retail hanging box and includes one protector per pack.
