

Wallmount Tv/monitor 15-27" Vesa 75/100/200 Black

Data sheet

Summary

- ✓ Supports 15–27 inch screens, compatible with VESA 75x75, 100x100, and 200x200 patterns.
- ✓ Articulating arm enables swivel, tilt, and extension to improve sightlines and reduce reflections.
- ✓ Low-profile design saves floor and desk space, suitable for meeting rooms, kiosks, and reception areas.
- ✓ Visible cable routing on the arm helps keep cables tidy during daily use and maintenance.
- ✓ Check that your screen's weight and VESA pattern match the mount before purchase.

Product description

Why choose this wall mount?

Prokord Wallmount Tv/monitor 15-27" Vesa 75/100/200 Black provides secure, space-saving mounting for small TVs and monitors. The articulating arm lets you swivel, tilt, and extend screens for comfortable viewing and reduced glare. Durable black finish and VESA compatibility simplify installation and integration into meeting rooms, reception areas, or home offices.

Wallmount Tv/monitor 15-27" Vesa 75/100/200 Black in short:

- Supports 15–27 inch screens, compatible with VESA 75x75, 100x100, and 200x200 patterns.
- Articulating arm enables swivel, tilt, and extension to improve sightlines and reduce reflections.
- Low-profile design saves floor and desk space, suitable for meeting rooms, kiosks, and reception areas.
- Visible cable routing on the arm helps keep cables tidy during daily use and maintenance.
- Check that your screen’s weight and VESA pattern match the mount before purchase.

Product details

Prokord Wallmount Tv/monitor 15-27" Vesa 75/100/200 Black secures small displays using standard VESA holes and lets you position the screen for optimal viewing. The arm folds back to sit close to the wall or extends for side viewing, and the tilt adjustment helps reduce glare. The black finish conceals wear in public spaces, and the visible cable loop simplifies neat installations with common tools.
