- ✓ Single pack, quantity 1pc, suitable for planned supply management and managed print services
- ✓ Remanufactured cartridge designed for use with PageWide printers to support reliable compatibility and consistent output
- ✓ Verify compatibility with your specific PageWide model before ordering to match your workflow

Product description

Why choose this ink cartridge?

Gilford Ink Cyan Dh-973Xlc 7K - For Pagewide delivers consistent, high-volume cyan printing with up to 7,000 pages of output. Its high (XL) yield lowers replacement frequency and helps control running costs, while pigment-based ink produces sharp, reliable color for business documents and graphics in demanding print environments.

Ink Cyan Dh-973Xlc 7K - For Pagewide in short:

- High (XL) yield, rated up to 7,000 pages, for extended print runs and fewer interruptions
- Pigment-based cyan ink for stable, well-defined color in documents and color prints
- Single pack, quantity 1pc, suitable for planned supply management and managed print services
- Remanufactured cartridge designed for use with PageWide printers to support reliable compatibility and consistent output
- Verify compatibility with your specific PageWide model before ordering to match your workflow

Product details

The Gilford Ink Cyan Dh-973Xlc 7K - For Pagewide cartridge provides a straightforward way to maintain cyan supply for PageWide printers. Its pigment-based formulation produces durable, crisp color that holds up in typical office workflows and graphics tasks. With a high-yield capacity, this cartridge reduces the need for frequent replacements and helps keep productivity steady in busy offices, design studios, and managed print environments.
