

- ✓ Certified Thunderbolt 3 cable
- ✓ Up to 40 Gbps data transfer
- ✓ 100W power delivery via USB Power Delivery
- ✓ Supports dual 4K displays or one 5K display

Thunderbolt 3 Cable – 40Gb/s, 100W PD, USB-C to USB-C

Data sheet

Summary

- ✓ ? Certified Thunderbolt 3 cable
- ✓ ? Up to 40 Gbps data transfer
- ✓ ? 100W power delivery via USB Power Delivery (PD)
- ✓ ?? Supports two 4K displays or one 5K display
- ✓ ? Reversible USB-C connectors
- ✓ ?? Durable and flexible construction

Product description

Thunderbolt 3 Cable – 40Gb/s, 100W PD, USB-C to USB-C

Upgrade your connectivity with this certified Thunderbolt 3 cable, delivering top-tier performance in a compact and durable design. Ideal for professionals handling high-resolution video, large data transfers, or requiring fast charging for USB-C devices.

With transfer speeds up to 40 Gbps, this cable handles even the most demanding tasks effortlessly. It also supports up to 100W charging via USB Power Delivery, enabling efficient charging for laptops, tablets, and other devices.

?? Features & Benefits

- ? Certified Thunderbolt 3 cable
- ? Up to 40 Gbps data transfer
- ? 100W power delivery via USB Power Delivery (PD)
- ?? Supports two 4K displays or one 5K display
- ? Reversible USB-C connectors
- ?? Durable and flexible construction

? Compatibility

Compatible with all Thunderbolt 3 and USB-C devices, including:

- Apple MacBook Pro / Air (with Thunderbolt 3)
- Dell XPS / Precision / Latitude
- HP Spectre / EliteBook
- Lenovo ThinkPad series
- USB-C docks, external SSDs, monitors, and more

With this certified Thunderbolt 3 cable, you get maximum performance, future-proof technology, and reliable compatibility in a compact and durable format.
