

Velcro Role With Hook/loop 10mmx5m

Data sheet

Summary

- ✓ 5 m roll, 10 mm wide, cut-to-length solution for custom cable bundles.
- ✓ Hook and loop fastening keeps cables secure and allows quick adjustments.
- ✓ Reusable and durable for racks, patch panels, AV setups, and workstation cable runs.
- ✓ Black finish blends into dark installations for a discreet appearance.
- ✓ Note: not self-adhesive. Designed to be wrapped and fastened rather than stuck to surfaces.

Product description

Why choose this hook & loop cable tie?

Prokord DUSR01-10 is a black hook and loop cable tie on a 5 m roll that helps you keep cable runs tidy and accessible. Cut the 10 mm tape to length for custom bundles, reduce clutter, and speed maintenance. The reusable fastener secures cables while allowing reconfiguration without replacing ties, which lowers ongoing costs.

DUSR01-10 cable organizer Hook & loop cable tie Black 1 pc(s) in short:

- 5 m roll, 10 mm wide, cut-to-length solution for custom cable bundles.
- Hook and loop fastening keeps cables secure and allows quick adjustments.
- Reusable and durable for racks, patch panels, AV setups, and workstation cable runs.
- Black finish blends into dark installations for a discreet appearance.
- Note: not self-adhesive. Designed to be wrapped and fastened rather than stuck to surfaces.

Product details

Prokord DUSR01-10 is a plastic-backed hook and loop tape you cut to the desired length and wrap around cables. The fastener lets you group, separate, and reorganize cables without tools, which simplifies moves and upgrades. Its reusable design reduces ongoing consumable costs and the black colour helps conceal cable runs in professional IT and AV environments.
