Product description

Why choose this screen protector?

Ultra-Wide (Double Tempered) 9H Cirafon provides robust, clear protection for compatible iPhone models while preserving screen clarity and touch responsiveness. It reduces the risk of scratches and everyday impact damage, and the included alignment tray and cleaning kit make application accurate and hassle free. The tempered glass surface is easy to clean and simple to remove when needed.

Ultra-Wide (Double Tempered) 9H in short:

- Fits Apple iPhone 16e, iPhone 14, iPhone 13, and iPhone 13 Pro for extended front coverage.
- 9H tempered glass for reliable scratch and impact resistance in daily use.
- Clear protector that maintains display clarity and touch sensitivity.
- Installation tray plus wet and dry wipes and cleaning cloth included for precise application.
- Supplied as one piece in a boxed package, ready to use.

How it protects your device

Ultra-Wide (Double Tempered) 9H uses a double-tempered glass layer to balance durability and screen feel. The clear design keeps images sharp and lets the touchscreen respond naturally. The included cleaning kit and installation tray reduce installation errors and trapped dust, so fitting the protector is quick and clean. Removal and cleaning are straightforward, helping you keep the device in regular use.
