

Wireless Keyboard And Mouse 200wl#Nordic

Data sheet

Summary

- ✓ Full-size 104-key Nordic QWERTY keyboard with numeric keypad, suited for extended typing and number work.
- ✓ 2.4 GHz RF wireless connection with compact USB receiver and up to 10 m range for flexible placement.
- ✓ Slim, three-block keyboard with adjustable feet and ABS keycaps for a balanced typing feel.
- ✓ Ambidextrous optical mouse at 1200 dpi with three pressed buttons and a vertical scroll wheel for everyday navigation.
- ✓ Batteries and receiver are included, keyboard uses AA and mouse uses AAA cells, so consider spare batteries for continuous use.

Product description

Why choose this keyboard?

Voxicon DMK-200WL delivers a practical wireless keyboard and mouse set for everyday office and home use. The full-size Nordic QWERTY keyboard and numeric keypad speed up data entry, while 2.4 GHz RF connectivity and a compact USB receiver reduce cable clutter and simplify setup for flexible workspace placement.

Voxicon DMK-200WL in short:

- Full-size 104-key Nordic QWERTY keyboard with numeric keypad, suited for extended typing and number work.
- 2.4 GHz RF wireless connection with compact USB receiver and up to 10 m range for flexible placement.
- Slim, three-block keyboard with adjustable feet and ABS keycaps for a balanced typing feel.
- Ambidextrous optical mouse at 1200 dpi with three pressed buttons and a vertical scroll wheel for everyday navigation.
- Batteries and receiver are included, keyboard uses AA and mouse uses AAA cells, so consider spare batteries for continuous use.

Design and typing experience

The keyboard combines a slim profile with a familiar full-size layout to keep key spacing comfortable while saving desk space. The 104-key Nordic QWERTY layout includes a dedicated numeric keypad for efficient data entry. ABS keycaps and adjustable height let you set a durable, comfortable typing angle for longer sessions.

Wireless connectivity and setup

Connectivity uses a 2.4 GHz RF link and a small USB receiver that plugs into your computer for plug-and-play operation. With up to 10 m range and an 8 ms response time, the set is stable for routine office tasks and web browsing. The receiver is compact enough to stay in a laptop USB port without getting in the way.

Mouse performance and power

The ambidextrous optical mouse provides 1200 dpi tracking, a 30 ips tracking speed, three buttons, and a single scroll wheel for vertical navigation. It is lightweight and portable, running on one AAA battery with an estimated life of about 3.5 months. The keyboard runs on AA batteries. Both batteries are included, and the package contains a receiver and user guide for easy setup.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Keyboard

Recommended usage	Universal
Device interface	RF Wireless
Keyboard layout	QWERTY
Keyboard language	Nordic
