# Product description

## Why choose this dock?

Prokord P-DOCK02-DL Workplace Alu Displaylink 4K helps you connect dual 4K displays, peripherals and a wired network while keeping a laptop charged with up to 100W. Its aluminium housing and vertical stand save desk space and create a tidy workstation. Rely on it to reduce cable clutter and provide stable video, network and audio connections for everyday office and hybrid work use.

## Workplace Alu Displaylink 4K in short:

- Connect two 4K/UHD displays using the DisplayPort or HDMI outputs for extended desktop or presentation setups.
- USB-C host support with DisplayPort Alternate Mode and DisplayLink technology, compatible with Windows, macOS, Linux and ChromeOS.
- USB Power Delivery up to 100W keeps your laptop charged while powering attached devices through USB-A and USB-C ports.
- Gigabit Ethernet, 3.5 mm combo audio jack, Kensington cable lock, LED power indicator and aluminium housing for a secure, compact desktop solution.
- Note: some systems require DisplayLink drivers for full video functionality, so verify host compatibility before purchase.

## Product details

The Prokord P-DOCK02-DL Workplace Alu Displaylink 4K consolidates video, network, audio and peripheral connections into a single wired hub. It accepts a USB-C host and provides dual 4K outputs over HDMI 2.0 or DisplayPort 1.2, gigabit Ethernet, a combo headphone/mic jack and several USB-A and USB-C ports. The unit comes with a 120W external power supply and 1 m USB-C cable, and features rubber feet, an on/off switch and a Kensington lock slot for secure placement.

| Manufacturer | Prokord     |
| Model        | P-DOCK02-DL |

## Ports & interfaces

|                                                 |                             |
|-------------------------------------------------|-----------------------------|
| Connectivity technology                         | Wired                       |
| Host interface                                  | USB-C 3.2 Gen 2 (3.1 Gen 2) |
| USB 3.2 Gen 1 (3.1 Gen 1) Type-A ports quantity | 2                           |
| USB 3.2 Gen 2 (3.1 Gen 2) Type-A ports quantity | 2                           |

|                                                 |        |
|-------------------------------------------------|--------|
| HDMI ports quantity                             | 2      |
| USB Power Delivery                              | Yes    |
| USB 3.2 Gen 2 (3.1 Gen 2) Type-C ports quantity | 1      |
| USB Power Delivery up to                        | 100 W  |
| USB Power Delivery revision                     | 3.0    |
| DisplayPorts quantity                           | 2      |
| HDMI version                                    | 2.0    |
| DisplayPort version                             | 1.2    |
| Headphone connectivity                          | 3.5 mm |
| Combo headphone/mic port                        | Yes    |
| DC-in jack                                      | Yes    |
| USB Type-C DisplayPort Alternate Mode           | Yes    |

## Performance

|                              |            |
|------------------------------|------------|
| Product colour               | Silver     |
| Housing material             | Aluminium  |
| Cable lock slot type         | Kensington |
| Cable lock slot              | Yes        |
| Number of displays supported | 2          |
| HD type                      | 4K/UHD     |
| Country of origin            | China      |
| LED indicators               | Power      |
| On/off switch                | Yes        |
| Rubber feet                  | Yes        |
| Brand compatibility          | Universal  |

## Network

|                            |                      |
|----------------------------|----------------------|
| Ethernet LAN (RJ-45) ports | 1                    |
| Ethernet LAN               | Yes                  |
| Ethernet LAN data rates    | 10, 100, 1000 Mbit/s |

## Power

|                   |          |
|-------------------|----------|
| Power source type | DC       |
| Power supply type | External |
| Output voltage    | 20 V     |
| Output current    | 6 A      |

|                    |       |
|--------------------|-------|
| AC input voltage   | 220 V |
| AC input frequency | 60 Hz |
| Power supply       | 120 W |
| USB cable length   | 1 m   |

## Weight & dimensions

|        |        |
|--------|--------|
| Width  | 90 mm  |
| Depth  | 44 mm  |
| Height | 139 mm |
| Weight | 560 g  |

## Software

|                                     |          |
|-------------------------------------|----------|
| Mac operating systems supported     | Yes      |
| Windows operating systems supported | Yes      |
| Linux operating systems supported   | Yes      |
| Other operating systems supported   | ChromeOS |

## Packaging content

|                     |                                 |
|---------------------|---------------------------------|
| Cables included     | Power, USB Type-C to USB Type-C |
| AC adapter included | Yes                             |
| Manual              | Yes                             |

## Packaging data

|                   |         |
|-------------------|---------|
| Quantity per pack | 1 pc(s) |
| Package width     | 225 mm  |
| Package depth     | 155 mm  |
| Package height    | 97 mm   |

## Technical details

|                 |           |
|-----------------|-----------|
| Warranty period | 2 year(s) |
