- ✓ Check printer model and firmware compatibility before purchase.

# Product description

## Why choose this toner cartridge?

Gilford DT-PH2073# toner cartridge 1 pc(s) Compatible Black, Cyan, Magenta, Yellow. This compatible CMYK toner set delivers consistent colour and black output for everyday office printing. It helps reduce consumable costs and simplifies replacements with a multi-pack format, so you can keep printers running on HP Color Laser and MFP 150 and 170/178/179 series without frequent interruptions.

## DT-PH2073# toner cartridge 1 pc(s) Compatible Black, Cyan, Magenta, Yellow in short:

- Compatible CMYK toner set for selected HP Color Laser and MFP models, including Color Laser 150 and MFP 170, 178 and 179 series.
- Approximate page yield of 700 pages per cartridge, suitable for moderate colour and mono print volumes.
- Supplied as a multi-pack to reduce downtime and simplify replacements.
- Cost-effective compatible alternative for printing reports, brochures, and daily office documents.
- Check printer model and firmware compatibility before purchase.

## Product details

Gilford DT-PH2073# supplies all four toner colours in one purchase, so you can run full-colour jobs and mono prints from the same pack. The cartridges are intended for routine office workloads and are straightforward to install, helping you maintain uninterrupted printing for documents, presentations and internal marketing materials. Use with the listed HP Color Laser and MFP 150 and 170/178/179 series models, and verify firmware compatibility for best results.
