- Compatible with HP OfficeJet Pro 9010, 9012, 9014, 9015, 9016, 9019, 9020, 9022 and 9025 series.
- Remanufactured cyan cartridge for clear color in documents and presentations.
- Approximate yield of 1,600 pages, suitable for routine office printing.
- Supplied as a single pack for straightforward replacement.
- Manufactured by Gilford as a cost-effective, compatible option for HP printers.

What it does

Gilford Ink Cyan No 963XI 1.6K - Renew - OfficeJet Pro 9010 replaces the cyan cartridge in supported HP OfficeJet Pro models to restore full-color printing. The remanufactured unit is tested to provide steady color reproduction across text and graphics. Installation is quick, so you can resume printing with minimal interruption, and the single-pack format makes inventory management simple.
