

Standard Mouse Pad 32x27 cm – For Office &

Data sheet

Summary

- ✓ Black, monochromatic surface for an unobtrusive look that fits most desk setups.
- ✓ Textile top on a rubber base for smooth optical tracking and reliable cursor control.
- ✓ Non-slip rubber base keeps the pad firmly in place during regular office tasks.
- ✓ Low 2 mm profile maintains a natural mouse height for comfortable, precise use.
- ✓ Dimensions are 370 x 270 mm, so check desk space before ordering since the name lists 32 x 27 cm.

Product description

Why choose this mouse pad?

Standard Mouse Pad 32x27 cm For Office & Workspace Voxicon is a simple, durable desk accessory that stabilises mouse control and protects workstation surfaces. Its low-profile 2 mm thickness and rubber base provide steady placement and a consistent tracking surface, helping reduce slips and small cursor errors while keeping costs and maintenance low.

Standard Mouse Pad 32x27 cm – For Office & Workspace in short:

- Black, monochromatic surface for an unobtrusive look that fits most desk setups.
- Textile top on a rubber base for smooth optical tracking and reliable cursor control.
- Non-slip rubber base keeps the pad firmly in place during regular office tasks.
- Low 2 mm profile maintains a natural mouse height for comfortable, precise use.
- Dimensions are 370 x 270 mm, so check desk space before ordering since the name lists 32 x 27 cm.

Product details

The Standard Mouse Pad 32x27 cm – For Office & Workspace pairs a smooth textile surface with a rubber backing to support everyday office and workspace use. It provides consistent tracking for common pointing tasks and helps protect desk surfaces from wear. At 2 mm thick the pad stays low to the desk for comfortable control, and the solid black finish is easy to keep clean and visually minimal.
