Product description

Why choose this phone cover?

Startkit Iphone 13 Pro #kit Cirafon combines a recycled-plastic protective cover with a clear screen protector and a USB-C charger to keep your iPhone 13 Pro protected and powered. The recycled material is certified to the Global Recycled Standard, which helps reduce environmental impact while providing reliable everyday protection and straightforward charging.

Startkit Iphone 13 Pro #kit in short:

- Protective cover made from recycled plastic, certified to the Global Recycled Standard (GRS)
- Clear screen protector that preserves touch responsiveness while guarding against scratches
- Includes a white USB-C charger with Cirafon branding and an EU two-pin plug
- Designed for compatibility with iPhone 13 Pro

Product details

Startkit Iphone 13 Pro #kit includes a black recycled-plastic cover that protects the back and sides of the iPhone 13 Pro with precise cutouts for buttons and the camera module. The clear screen protector resists surface scratches and keeps the display fully responsive to touch. The included white USB-C charger bears the Cirafon logo and uses an EU two-pin plug for standard sockets. Cirafon sources recycled material certified under the Global Recycled Standard to support reduced material waste.
