Product description

Why choose this mobile device charger?

Cirafon CC-SB5K-01/DMA-038# mobile device charger Universal White USB Fast charging Indoor provides reliable, compact charging for phones and small tablets. It reduces downtime with fast USB Power Delivery, simplifies cabling with a 1 m cable, and fits cleanly into offices and meeting rooms for cost-effective, everyday use.

CC-SB5K-01/DMA-038# in short:

- Fast USB Power Delivery up to 30W, suitable for quick top-ups on phones and small tablets.
- Both a USB-C port and a USB-A (USB 2.0) port, so you can charge different device types.
- Includes a 1 m cable and plug-and-play setup for immediate indoor use.
- Compact white design that blends into desks and shared workspaces.
- Note: check your device’s USB Power Delivery support to achieve the maximum charging speed.

Product details

The CC-SB5K-01/DMA-038# from Cirafon is a simple, purpose-built indoor charger that handles everyday charging needs. It delivers up to 30W via USB Power Delivery to speed up compatible devices, while the additional USB-A port gives flexibility for older accessories. The included 1 m cable and plug-and-play operation make it convenient to use right away, and the compact white housing keeps installations neat.
