- ✓ Compact indoor AC charger in white with a European two-pin plug, suitable for desks and offices.
- ✓ Note: check plug compatibility for use outside regions that accept European two-pin sockets.

Product description

Why choose this mobile device charger?

Cirafon CC-CH01/CC-SB5K-01 mobile device charger provides fast, versatile charging for phones and tablets in home or office environments. It combines USB Power Delivery up to 30W with an additional USB-A port, so you can charge a modern USB-C device and a legacy accessory at the same time. The compact white AC plug and included 1.2 m USB-C cable make it ready to use.

Cirafon CC-CH01/CC-SB5K-01 in short:

- Up to 30W USB Power Delivery on the USB-C port for quicker top-ups of phones and tablets.
- One USB-C PD port plus one USB-A port, allowing two devices to charge simultaneously.
- Includes a 1.2 m braided USB-C to USB-C cable for durable, ready-to-use charging.
- Compact indoor AC charger in white with a European two-pin plug, suitable for desks and offices.
- Note: check plug compatibility for use outside regions that accept European two-pin sockets.

Product details

The Cirafon CC-CH01/CC-SB5K-01 pairs USB Power Delivery with a conventional USB-A output to support a mixed device fleet. USB-C PD up to 30W provides faster charging for compatible smartphones and tablets, while the USB-A port keeps older phones and accessories powered. The supplied 1.2 m USB-C cable reduces the need to source a separate lead, and the small footprint keeps your workspace tidy. You get a simple, dependable indoor charger that is easy to deploy across desks and meeting rooms.
