Product description

Why choose this mousepad?

Voxicon MOUSEPAD BLACK MEDIUM 5-PACK provides a consistent, low-profile surface that supports everyday desktop work. The textile top and rubber base deliver stable tracking and firm placement, reducing interruptions from slips. Its medium footprint gives enough space for controlled movements while keeping desks tidy, and the black and white, monochromatic look suits professional environments.

Product details

Each Voxicon mousepad measures 370 by 270 mm and is 2 mm thick, providing a comfortable, low-profile feel without raising the wrist. The textile surface supports reliable optical and laser tracking while the rubber base prevents slipping during routine tasks. The matte black field with a small white Voxicon logo creates a uniform, professional look across multiple work areas. The materials are easy to clean and built for repeated daily use.
