

Prokord U/FTP-0056

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	U/FTP
Cable length	1.5 m
Jacket material	LSZH

Summary

- ✓ 10 Gbit/s and 500 MHz bandwidth supports fast, reliable networks
- ✓ U/FTP shielding reduces interference, improving signal stability
- ✓ Slim 1.5m cable with 32 AWG copper runs cleanly through racks
- ✓ LSZH jacket reduces smoke and toxic gases for safer sites
- ✓ PoE support powers cameras and phones without extra cabling

Product description

Why choose this cable?

Prokord Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Black delivers reliable 10 000 Mbit/s performance for short patch runs. Its slim, low-smoke zero halogen jacket keeps cable bundles tidy and reduces hazardous emissions in public spaces. The U/FTP shielding lowers interference in dense cabling environments, making it a practical choice for switch-to-wall and equipment-to-patch-panel connections.

Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Black in short:

- Designed for high-bandwidth short links, supporting 10 Gbit/s at 500 MHz for server uplinks and storage connections.
- U/FTP (STP) shielding reduces crosstalk and external noise in congested cable installations.
- Slim LSZH jacket in black saves space and limits smoke and toxic gases, suitable for offices and public buildings.
- Supports Power over Ethernet, so you can power cameras, access points, and VoIP phones over the same cable.
- 1.5 m male-to-male RJ45 patch cable with flexible AWG 32 copper conductors; consider the fixed length if you need longer runs.

Prokord Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Black

This patch cable connects RJ-45 ports on switches, patch panels, and network equipment while delivering Cat 6A performance. The copper conductors and slim construction make routing through cable trays and under desks easier. The LSZH jacket offers an added safety benefit for installations where low smoke and halogen-free materials are required. Use this cable when you need a short, shielded connection that also supports PoE.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	1.5 m
Cable standard	Cat 6A
Cable shielding	U/FTP
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male

Product colour	Black
Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	32
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
