Product details

DT-PH2032XFY-Re is a Gilford-compatible yellow toner cartridge designed for routine colour printing. It delivers around 6000 pages of yellow output at standard coverage and installs the same way as a standard cartridge, so you can resume printing quickly. The cartridge is supplied as a single pack and fits many HP Color LaserJet Pro and Enterprise multifunction printers, making it a practical option for offices that need reliable colour prints with controlled costs.
