

Prokord U/FTP-0063

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	U/FTP
Cable length	1.5 m
Jacket material	LSZH

Summary

- ✓ Cat6A performance delivers 10Gbps throughput at 500MHz
- ✓ U/FTP shielding reduces crosstalk and improves signal reliability
- ✓ LSZH jacket lowers smoke and halogen, improving on-site safety
- ✓ Supports PoE so you can power cameras and access points
- ✓ 1.5m length with 32AWG copper conductors and reliable RJ45 plugs

Product description

Why choose this cable?

Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Blue Prokord is a slim, shielded Cat6A patch cable that delivers reliable 10 Gbit/s performance in space-constrained setups. It reduces interference with U/FTP shielding, improves safety with an LSZH jacket, and supports Power over Ethernet, making it a practical choice for tidy racks, desk connections, and short links.

Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Blue in short:

- Slim, flexible design for neat cable routing and high-density patch panels.
- U/FTP shielding minimises crosstalk and electromagnetic interference for stable 10 Gbit/s links.
- Low smoke zero halogen jacket reduces hazardous emissions, suitable for enclosed or public spaces.
- Ready-to-use with moulded RJ-45 male connectors, ideal for connecting switches, patch panels, and workstations over short distances.
- Consideration: 1.5 m length is intended for patching and desk connections, not long runs.

Product details

Tp-cable U/ftp Cat.6a Slim Lszh Rj45 1.5M Blue Prokord uses copper conductors with fine 32 AWG wiring and shielded RJ-45 plugs to provide consistent performance for short Ethernet links. The slim profile and moulded strain-relief boots make installation in crowded panels and under desks easier. It supports Power over Ethernet, so you can power compatible access points and phones without extra cabling, and the LSZH jacket helps meet safety requirements in sensitive environments.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	1.5 m
Cable standard	Cat 6A
Cable shielding	U/FTP
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Blue

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	32
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
