

Bt Bti6 Duo With Anc Mic 5-Pack#kitStereo Black

Data sheet

Summary

- ✓ Five headsets in a single kit, useful for contact centres, classrooms, and shared offices.
- ✓ Dual connectivity with Bluetooth 5.0 and 3.5 mm wired fallback for reliable use across devices.
- ✓ Noise-canceling boom microphone and closed ear cups for clearer calls in noisy environments.
- ✓ Built-in battery with up to 20 hours playback and fast 1 hour recharge via USB-C.
- ✓ Note: no AC adapter or charging stand included, USB Type-C cable is supplied.

Product description

Why choose this headset?

Bt Bti6 Duo With Anc Mic 5-Pack#kit Voxicon gives your team a flexible audio solution that balances call clarity and music playback. The combination of Bluetooth and 3.5 mm wired connection reduces downtime, while noise-canceling boom microphones and closed, on-ear cups help maintain focus during busy shifts. Buying a five-pack lowers per-unit cost for shared workspaces and training rooms.

Bt Bti6 Duo With Anc Mic 5-Pack#kit in short:

- Five headsets in a single kit, useful for contact centres, classrooms, and shared offices.
- Dual connectivity with Bluetooth 5.0 and 3.5 mm wired fallback for reliable use across devices.
- Noise-canceling boom microphone and closed ear cups for clearer calls in noisy environments.
- Built-in battery with up to 20 hours playback and fast 1 hour recharge via USB-C.
- Note: no AC adapter or charging stand included, USB Type-C cable is supplied.

Design and usability

The Bt Bti6 Duo With Anc Mic 5-Pack#kit Voxicon uses a head-band and on-ear cups to keep the profile compact and easy to store. Ear coupling is supraaural, which helps with situational awareness while still providing focused audio. A detachable audio cable makes it simple to switch between wireless and wired operation, and the included USB Type-C and 3.5 mm cables cover common setups.

Audio and call performance

This headset kit is built for calls and music. The closed acoustic design and 40 mm diaphragms deliver controlled sound for spoken audio and media. The boom microphone features noise-canceling technology and a voice-focused frequency response, so callers hear you clearly even in busy environments. Bluetooth 5.0 offers stable wireless range for desk use, with a wired option when you need zero-latency connections.

Deployment and maintenance

Battery-operated headsets use a built-in Li-ion cell that provides up to 20 hours of continuous playback and about 200 hours standby. A full recharge takes around one hour using the USB Type-C port and low charging power. The product complies with RoHS and REACH standards, which supports procurement requirements for sustainability and regulatory compliance.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Performance

Product type	Headset
Wearing style	Head-band
Recommended usage	Calls, Music
Headset type	Stereo
Product colour	Black
Detachable cable	Yes

Ports & interfaces

Connectivity technology	Wired and Wireless
3.5 mm connector	Yes
Bluetooth	Yes
Bluetooth version	5.0
Wireless range	10 m

Headphones

Ear coupling	Supraaural
Headphone frequency	20 - 20000 Hz
Impedance	32 Ohm
Acoustic system	Closed
Diaphragm diameter	40 mm

Microphone

Microphone type	Boom
Microphone frequency	100 - 8000 Hz
Microphone noise-canceling	Yes

Battery

Battery operated	Yes
Battery type	Built-in battery
Battery technology	Li-ion
Continuous audio playback time	20 h
Battery recharge time	1 h
Standby time	200 h

Power

USB Type-C charging port	Yes
--------------------------	-----

USB Power Delivery (USB PD)	No
Required charging power (min)	0.3 W
Required charging power (max)	5 W

Weight & dimensions

Width	180 mm
Depth	70 mm
Height	190 mm
Weight	195 g

Packaging content

AC adapter included	No
Charging stand	No
Cables included	Audio (3.5mm), USB Type-C

Sustainability

Sustainability certificates	REACH, RoHS
Sustainability compliance	Yes
