

BT BT310 Duo With Anc Mic 5-pack Stereo Black

Data sheet

Summary

- ✓ Five wireless stereo headsets packaged for teams, training rooms, or shared workstations.
- ✓ Noise-canceling boom microphone for clearer calls in open offices and contact centers.
- ✓ Bluetooth connectivity and lightweight adjustable headband for mobile, all-day use.
- ✓ Supraaural foam ear pads and 28 mm drivers tuned for clear speech and basic multimedia.
- ✓ Note: supraaural ear pads sit on the ear rather than fully enclosing it, so they provide less passive isolation in very noisy environments.

Product description

Why choose this headset?

Voxicon BT BT310 Duo With Anc Mic 5-pack provides a practical way to outfit small teams with wireless stereo headsets that improve call clarity and mobility. The noise-canceling boom microphone and Bluetooth connectivity reduce background distractions, while the adjustable headband and foam ear pads support comfortable wear during long shifts.

Voxicon BT BT310 Duo With Anc Mic 5-pack in short:

- Five wireless stereo headsets packaged for teams, training rooms, or shared workstations.
- Noise-canceling boom microphone for clearer calls in open offices and contact centers.
- Bluetooth connectivity and lightweight adjustable headband for mobile, all-day use.
- Supraaural foam ear pads and 28 mm drivers tuned for clear speech and basic multimedia.
- Note: supraaural ear pads sit on the ear rather than fully enclosing it, so they provide less passive isolation in very noisy environments.

Main functions and usability

These headsets pair over Bluetooth with phones, tablets, and computers, so you can handle calls and basic multimedia without cables. The boom microphone uses noise cancellation to reduce ambient noise and keep conversations intelligible in shared spaces. Foam ear pads and an adjustable headband are designed for extended wear, and the 28 mm drivers focus on clear speech reproduction for customer contact and collaboration.

Deployment and battery

The built-in Li-ion battery and long standby time make the headsets ready for intermittent use across multiple days, reducing the need for frequent charging. Supplied as a five-pack, they simplify procurement, inventory, and roll-out for small teams or offices. Compliance with REACH and RoHS supports responsible procurement within regulated environments.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Performance

Product type	Headset
Wearing style	Head-band
Headset type	Stereo
Product colour	Black

Adjustable headband	Yes
---------------------	-----

Ports & interfaces

Connectivity technology	Wireless
Bluetooth	Yes

Headphones

Ear coupling	Supraaural
Headphone frequency	100 - 10000 Hz
Driver unit	28 mm
Impedance	32 Ohm
Headphone sensitivity	90 dB

Microphone

Microphone type	Boom
Microphone frequency	100 - 8000 Hz
Microphone noise-canceling	Yes

Battery

Battery operated	Yes
Battery type	Built-in battery
Battery technology	Li-ion
Standby time	200 h

Sustainability

Sustainability certificates	REACH, RoHS
Sustainability compliance	Yes
