- ✓ Three USB-A ports with Quick Charge support for phones and accessories.
- ✓ Compact vertical design with a desktop stand for tidy cable management and space-saving placement.
- ✓ Not intended for outdoor industrial use; optimal performance with USB-compatible devices only.

Product description

Why choose this powerstation?

Cirafon Powerstation 96W USB-C+A PD/QC4+ makes charging several devices simple and efficient. It supplies up to 96W through two USB-C ports and adds three USB-A ports, so you can power a laptop and multiple phones or accessories at the same time. The compact vertical design reduces desk clutter and the universal USB compatibility helps you consolidate chargers at home, in a small office, or on the road.

Powerstation 96W USB-C+A PD/QC4+ in short:

- Charge up to five devices simultaneously, including laptops via USB-C and phones or tablets via USB-A.
- Two USB-C ports with USB Power Delivery, suitable for higher-power devices and tablets.
- Three USB-A ports with Quick Charge support for phones and accessories.
- Compact vertical design with a desktop stand for tidy cable management and space-saving placement.
- Not intended for outdoor industrial use; optimal performance with USB-compatible devices only.

Powerstation 96W USB-C+A PD/QC4+

This accessory provides a straightforward way to manage charging for a small workspace, home office, or travel setup. Use the USB-C PD ports to handle laptops and higher-draw devices while the USB-A ports keep phones and peripherals topped up. The unit is designed for indoor use, comes in a black finish to blend into professional environments, and is supplied as a single pack. The design helps reduce the need for multiple chargers and keeps cables organised on your desk.
